Taxes and Gratuity

The prices of all food and beverages served are subject to applicable sales tax (8.75%) and 20% gratuity for your dedicated team. This dedicated team is everyone that participated in your banquet to include the kitchen and your front of the house staff.

Entree Choices

You may either get everyone's order in advance or have a custom menu placed at each place setting, or a buffet. If you get orders in advance, you may pick from all the choices listed for your appropriate menu and we create an entrée card for each guest. If you want to make your own entree cards, we ask you to coordinate colors by entree. Please let your event coordinator know each entree color, so they can give it to the food runners. Typically, this is something your event coordinator does, so you don't have to. If you prefer a custom menu instead, you must pick 3-4 entrees only. Once your event coordinator has your finalized food and beverage selections, they will then create and send a copy of your custom menu for approval. Once approved, this menu is what you'll see at everyone's place setting. If a design outside of our standard custom menu is wanted, with your event coordinator's approval, you may create and print the menu yourself. Please send a final copy of it to your event coordinator before your event. You may bring in the final printed copies either before or on the day of your event.

Additional decorations may be brought in for your event at your own expense. We do not allow glitter or confetti of any kind. Parking at Rio City Cafe

Currently, we do not offer valet parking. However, we do have two parking garages and meters in Old Sacramento. The Tower Bridge Garage (located at 135 Neasham Circle; corner of Neasham & Capitol Mall) is the closest to us. Bring in your parking pass and we will validate your parking **for 2 hours FREE**, then it will be \$1.50 for every additional half hour after that for either garage. Typically, Friday & Saturday nights, starting at 3:00 pm, the garages go to a flat-rate fee of \$10 per car that lasts the whole night. This also may apply on some Sunday nights when Monday is a holiday. But if you can get a ticket at the gate when entering the garages, we can validate it!
